Nestled among citrus groves and Florida pines, Sunnier Palms offers visitors peaceful, country naturism just beyond the city limits of Fort Pierce.

We're a quiet retreat just close enough to the city to make shopping easy, but far enough away to keep the stress of town-living out of sight and mind.

Sunnier's 26 acres are divided into a wildlife sanctuary, agricultural area, residential and RV park. Our 50 park sites are home to a mix of permanent residents, snowbirds and short term campers. Many of our residents and guests take advantage of Florida's warm winters to garden in the community organic gardening plot. Others make Sunnier their homebase to visit the wonderful variety of attractions of Florida has to offer, most only a few hours' drive from Sunnier Palms, conveniently located a short distance from interstate and turnpike access.

Whether you're looking for a place to make your temporary home for a season or somewhere to come home to during your Florida vacation, we're betting we've got something you'll like.

Our park and campground offer:

- * Security fence and coded gate access.
- * Full hookup RV sites close to pool, hot tub, sundeck, bathhouse and laundry facilities.
- * Tent camping in our agriculture area near our veggie garden, banana and citrus groves, and exotic island full of native plants.
- * Library of books, games, puzzles and video tapes.
- * Heated swimming pool and spa/hot tub open 24 hours.
- * Clubhouse and screened poolside pavilion, both with guest kitchen and 24 hour satellite TV.
